The Job Department in the Democrat Office is now ready for all kinds of printing. Bills, Circulars, Cards, Posters, &c., printed at the shortest possible notice, and at prices to suit the times.

Notice to Subscribers in Central Kentucky.

In view of the temporary suspension of the trains on the Louisville and Frankfort and Lexington and Lexington railroads, considerable inquiry has been made as to whether the mails along the line of the road, and in the interior, would be suspended.

We learn from the postmaster that the mail matter for Frankfort and Lexington, and intermediate points, will be forwarded by the stage; and that for points above and beyond Lexington, will be sent via Cincinnati. Mails of the line of the road, and cross-mails, will, as far as possible, be supplied by special carriers, appointed for that purpose. This interruption will not long continue. We shall use every endeavor to speed our paper to subscribers along the line and throughout the country through the regular facilities as far as the time suspended.

ARRESTED ON THE CORONER'S WARRANT.

On yesterday a man by the name of William Wilson, who keeps a drinking saloon on Market street, between Tenth and Eleventh, was arrested on a warrant issued by the coroner of Jefferson county, charged with having caused the death of a man by the name of Kelly. The proof before the coroner's jury was that Kelly went into the house of the accused on Tuesday night in a very bad condition from the effects of strong drink. While in the house the accused gave the deceased eight drinks, which rendered him helpless. While in this condition the accused dragged the deceased from his house and laid him upon one of the fish stands at the Falls City market house. Early Wednesday morning the dead body of Kelly was found at that place, he having died from the effects of whiskey and exposure. Upon this testimony the warrant of the coroner was issued, and the accused was arrested and placed in jail. He will have a preliminary examination before Judge Johnston this morning.

POLICE PROCEEDINGS—Wednesday, Oct. 14.

City vs Montgomery, who was fined on Saturday \$500, was set aside, and the warrant quashed; also, an ordinance warrant vs L. L. Dorsey was dismissed; also, a fine of \$5.00 against George W. Smith was set aside, and the warrant dismissed.

Fred Winter, a d. George Herman, assaulting Ed Lampton, on Third street, yesterday evening, continued until to-morrow.

Martha Sheridan, drunk and disorderly conduct; workhouse for one year.

Martha McGill, same charge; workhouse for one year.

Thomas Cressy, drunk and disorderly conduct; ball in \$100 for three months.

James Gallagher, same charge; ball for two months.

Wm. Tricks, petit larceny; workhouse to answer.

OUTRAGE BY SOLDIERS.—Yesterday afternoon a party of soldiers, some fifteen in number, went to the Broadway Saloon, corner of Tenth and Broadway, and demanded something to drink. The barkeeper, in compliance with the law, refused to grant the request, when they commenced destroying his property. In a short time the house was completely gutted, nearly everything being demolished. The provost guard were immediately on hand and arrested those engaged in the effort and confined them in the military prison. They will be tried and, if found guilty, severely punished.

SHOULD BE STOPPED.—The guards on the wharf have been in the habit lately of firing into the river at some floating object, and as parties are generally going back and forth to the island, there is danger that some of them may be hit by the shots from the soldiers' guns. There is a city ordinance against firing guns in the city limits, and this practice of the soldiers should be stopped at once.

THEATERS.—The attendance at the theaters last night was very good. At the Louisville to-night "London Assurance" will be produced—Miss Susan Denin appearing in the leading character. At Wood's Miss Kate Denin will appear as "Lucretia Borgia," in the play of that name.

WE have been requested to warn our farmers and dealers against receiving numerous counterfeiters on Eastern banks, which have been their appearance. These bills may be looked for in the West to buy horses and produce.

THE CITY COUNCIL.—Both Boards of the City Council met at the usual hour to-night. There will be a joint session for the election of tobacco inspectors, keeper of the workhouse and interpreter of the City Court.

THE WEATHER.—Yesterday the sun showed forth brightly until the afternoon, when it clouded up, and at night the atmosphere was much warmer, with indications of more rain.

ARRESTED.—Yesterday three government transfers, while under the influence of whiskey got into a fight. They were arrested by the provost guard and confined in the barracks.

A free negro by the name of Edmund Sledge was arrested yesterday by officers Charles Overton and Joel Lamborne on the charge of having passed a \$5 worthless bill.

Remember the ball at Masonic Temple to-night. The most ample arrangements are made for the occasion, and the managers will see that everything is done in order.

The gentleman who lost a portion of his watch, on Third street, can get it by applying at the Democrat office and paying for this notice.

FUN AHEAD—LOOK OUT FOR COL.—There will be a social collation party at the Old Fellows' Hall to-night. Tickets to be had at the door.

The "Poor Girl, or the Marchioness and Her Secret," is an interesting novel by Pierce Egan, Esq. For sale by W. Scott Glover.

The Grand Lodge of Masons of Kentucky hold their annual meeting in this city, at Masonic Temple, commencing on Monday next.

We understand that the work on the Frankfort railroad is progressing finely. The cars will run again next week most likely.

The city was exceedingly quiet yesterday, with nothing of importance transpiring either in military or civil circles.

W. H. Ehrick, newsdealer at the corner of Third and Main streets, has our thanks for Cincinnati papers.

The Nashville train arrived on time last night. All was quiet along the line.

THE GARDEN ZOOVAE TROUPE.—This splendid party was again greeted with a large and fashionable audience at Masonic Temple on last evening. The performances were of a truly interesting and highly creditable character, and were received by the delighted audience with rounds of applause. Owing to the severe indisposition of Miss Ethel she could not appear, and her place was filled by Miss Maggie, who, although not accustomed to the use of the tambourine, did her part admirably. Signor Girard's imitation of the mocking bird and Miss Annie's beautiful singing were warmly received by the audience. The Chinese dance and frequently encored. The performance closed with the laughable farce of "Handy Andy," by Misses Minnie and Adah, which was rendered in exceedingly fine style. Miss Minnie is a very promising young actress, and has already become quite a favorite in our city; and Miss Adah, in her Irish character, has no superior for one of her years. To-night they give one of their unrivaled performances in New Albany, and on Friday they return to our city and give two more entertainments.

RAID INTO HODGENSVILLE.—On last Saturday the rebel forces under Richardson made a dash into Hodgenville, Ky., and robbed the stores there of about three thousand dollars' worth of goods. In addition to this they robbed the citizens of large amounts and carried away all the good horses to be found there. After straining all they could carry, and destroying the rest, they moved off in the direction of the Tennessee line, robbing the farmers all along the route of all they possessed. These raids of late have become very frequent, and the citizens of our State have suffered severely during the last two months from the outrages of these thieving bands. If the citizens would but arm themselves and make some resistance to these bands they would not be troubled as they have been heretofore.

A shipment of one hundred and one bales of East Tennessee cotton was received in Covington on Monday night, by way of the Kentucky Central railroad, having been brought from Knoxville, Tenn., to Nicholasville, Ky., in government wagons. The cotton was shipped by and consigned to the United States authorities.

INQUEST NO. 151.—Held Oct. 14th, 1863, at the intersection of Tenth and Market streets, on the body of Patrick Kelly, aged about 45 years. Verdict—"Came to his death on the night of Oct. 13th, 1863, and that the cause of death is drunkenness and exposure."

ON Sunday night a man named Charles N. Derby, a wholesale liquor merchant in Chicago, fell from the window of his room, in the fourth story of his hotel, to the ground, and was instantly killed. He was upwards of fifty years of age.

REBEL PRISONERS.—A squad of about fifty rebel prisoners went through Cleveland from this place on Saturday afternoon for Johnson's Island. They were taken over to the Island immediately after their arrival in Sandusky.

Brigadier General S. S. Fry has assumed command of all the forces in Northern Kentucky, including those on the line of the Kentucky Central railroad, in obedience to an order issued by General Boyle.

That "great financier," Salmon P. Chase, was to have had a public reception yesterday at Indianapolis. Can it be that he is entirely safe, so far away from the New York banks?

At the election in Indiana on Tuesday the Democrats of New Albany and Floyd county elected their entire ticket by hand-some majorities.

ON Tuesday night a fire occurred at Camp Dennison, which destroyed three of the barracks.

The late rains have swollen White River until now it is nearly back full.

COLT'S FACTORY.

A visit to this celebrated factory impresses the beholder with a sense of the extent and marvelous character of the mechanical results of human ingenuity. The machinery is perhaps the most varied, extensive and finished of any establishment in the country. It is far more ingenious and intricate than the famous pistons which it produces. It comprises all descriptions, from the largest and most powerful of steam engines, to the most delicate work of watchmaking.

CONDITION OF THE REBEL CURRENCY.—A very succinct illustration of the state of the rebel currency is given by a letter-writer, who tells of some conversations held across the picket lines near the Rapidan:

One of the rebel artillerymen was anxious to know whether a soldier's pay was good for anything now. He was told that it would buy thirteen dollars' worth of goods, the same as ever. "Well," said he, "I'll tell you what we do with our money. We go to the bakery into the evening and play poker till one man out of five gets the money. The winners tell off into five again, and so it has somebody who has enough money to treat his friends."

A MOST INFAMOUS AFFAIR.—Michael Kuhn, an old Democrat, who has been a member of the Jacob Habbey, master machinist at the Cleveland and Pittsburgh shop, near St. Clair street, about eight years, when he went to the shop Saturday morning was attacked by some employees there, who called him "copperhead" and "traitor." One Philip Wagner knocked him down, while John Staritznick put a rope around his neck and threatened to hang him. Old man Kuhn finally got away from them and left the shop.

We submit this fact. It doesn't require comment. It is one of those damning facts which pleads "trumpet longed" in its own horrible wrong. We ask the people of Cleveland to ponder over it.—Cleveland Plaindealer.

HEAVY SHIPMENTS OF SPECIE.—The European steamers from this port to-day take out a larger consignment of specie than has gone forward for a long while. The following is an official statement:

For Bremen, per America, \$217,331 46

[From the Richmond Whig.]

The Charleston Courier makes a timely suggestion in recommending the attention of our Government to the naturalization and cultivation of Callalaws for the preservation of the health of our soldiers. This article has a peculiar effect upon the liver, and guards the system against disease by exposure and irregular diet. It is said that the great success of the Plantation Bitters of Dr. Drake, which, previous to our unhappy difficulties, was found in most Southern homes, was owing to the fact that the Bitters were contained as one of the principal ingredients. "In countries where I have heard one of our most distinguished physicians remark, that whenever he felt unwell from ordinary dietetic or atmospheric causes, he invariably relieved himself by Plantation Bitters. Now that these Bitters

We understand that our Government has opened negotiations with Dr. Drake, through a secret agent, and with what truth we do not know.

Another secret agent, says the *Richmond Whig* for the remembrance of "And I Love My Country," that we can assure "our Government" that the Plantation Bitters are not for sale to any "secret agents," North or South. And that, for all other things that "our Government" will yet want.

WE KNOW that we have the best and most popular medicine in the world. We are not afraid to show what is come of.

Physicians are compelled to recommend it.

ARISE—An aromatic carminative; creating fresh, muscular and much needed energy.

S. T. 1860—E.

Another wonderful ingredient, of Spanish origin, imparting beauty to the complexion and brilliancy to the mind, is yet unknown to the commerce of the world, and which we have discovered.

Humboldt's squacks howl about the Plantation Bitters; but the following is what's the matter, and the
